Fall Promotion by CVB~ Last report was that we have 3 businesses signed up to participate. Lake City Bank will be our only drop off point. As of right now I do not know of any businesses participating from North Webster. **Please let me know if your business is going to be open late or run any specials for the fall festival so they can be advertised.**

4th Fridays; Farmers Market & Late Night Shopping~ We will have a small farmers market at the fall festival. This should be a nice mini “test run” to see what the response and potential is for a full project in the spring.
