NEW BUSINESS

Mission Statement: “Helping to build a stronger community by promoting local businesses & area opportunities for growth.”

Board Seat Vacancy~ Unfortunately due to a job promotion Thaddeus DuBois is no longer able to accept the empty board seat. We need to try to come up with other options.

CVB Remote ~ the CVB will once again this year be visiting 6 different communities in the county during National Tourism Week – they are marketing it as Visit Kosciusko Week. They will be in North Webster on Wednesday, May 19th. The live remotes will begin at 7:00 a.m. and end at 9:00 a.m. in front of the Community Center. This year they would like to promote the town by encouraging people to visit the live remote to enter for a drawing for a sample basket. They are asking each community to put together a "sampler" basket of their town. Everyone that stops at the live remote to enter for the drawing will be eligible to win this basket. I have agreed that we will provide a basket, we just need to collect items to put in it.

Chamber Logo~ has been refreshed and was in the newsletter.
